ACI Rises to the Challenge

in meeting the top 3 payments-related initiatives for merchants over the next 18 months:¹

40%

Executing on
omni-channel

35%

Implementing new
emerging digital and
mobile payment types

30%

Focusing on
combatting fraud

See what the Forrester Wave has to say about ACI:

ACI earned the highest score possible in the Omni-channel Solution Vision criterion.

"...leading payment vendors like ACI Worldwide... are contributing to and adopting common specs like the nexo standards in Europe, which in turn help reduce their clients' integration burdens and payment terminal complexities across the globe."

ACI provides freedom of choice among most suitable acquirers and alternative payment methods according to customers' growth strategy.

"ACI Worldwide provides vast global reach with superior flexibility."

ACI helps merchants combatting fraud with a state-of-the-art fraud management solution.

"...firms like ACI...get ahead of increasing cross-channel fraud by working to detect potential fraud incidents in scenarios such as 'buy online, pick up in-store' or 'return to store.'"

ACI offers acquirer independence, expert advice and ultimate flexibility for merchants.

"...ACI is adept at advising and consulting with its clients in order to engineer the right solution. ACI is a best fit for retailers that want a global 'payments integration hub' that provides maximum flexibility to manage multiple acquirers, payment methods and technology providers."

ACI connects merchants to hundreds of local and cross-border acquirers and alternative payment methods almost anywhere in the world.
